Advanced TESOL Certification

Program ID: ATIAC

Teaching English to Speakers of Other Languages

Advanced TESOL Certification

- ↻ **Credentials Issued:** Advanced TESOL Certification
- ↻ **Program Length:** 80 hours online self paced
- ↻ **Program Cost:** \$295.00
- ↻ **Delivery Method:** Online

Summary

American TESOL Advanced online certification is an interactive 80 hour online course that provides a base knowledge in teaching English as a second language with focus on methods and approaches to TESOL. Participants study the theory of TESOL, and learn to create English as a second language lesson plans for presentation in a classroom.

This course also includes an optional online TESOL internship where participants will be able to practice their teaching skills in a virtual environment.

Program Objectives

↻ Objectives

- Examine the core knowledge of TESOL
- Create ESL lesson plans
- Assess and compare TESOL methods of teaching
- Facilitate successful communication in the TESOL classroom

Goals Addressed

↻ Goals

- Correctly identifying methods and approaches to TESOL.
- Improvement of student achievement by creating a safe and shameless learning environment.
- Improvement of teacher confidence.
- Introduction to teaching ESL online.

↻ Competencies

- Consistently provide a classroom environment that is supportive to the latest trends of TESOL.
- Design and implement ESL lesson plans that reflect best teaching practices, and target student ESL learning needs.
- Demonstrate high expectations of all students learning.
- Monitor and assess student progress.

↻ Materials

Advanced TESOL includes 3 eBooks, and consists of assignments and readings from Cambridge University Teaching English to Speakers of Other Languages textbook. All materials are included in the tuition price.
